TERMINAL DISCLAIMER TO OBVIATE A  
DOUBLE PATENTING REJECTION OVER AN ISSUED PATENT

The assignee, Nippon Mitsubishi Oil Corporation, of the entire interest in the above identified application (assignment to Nippon Oil Co., Ltd. recorded September 25, 1998 at Reel 9477, Frame 0718 and merger and change of name to assignee herein recorded September 17, 1999 at Reel 010246, Frame 0086) and assignee of U.S. Patent No. 6,410,492, hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the above identified application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173 of U.S. Patent No. 6,410,492 as presently shortened by any terminal disclaimer if already filed and agrees that any patent so granted on the above identified application shall be enforceable only for and during such period of time that the legal title to said patent shall be the same as the legal title to U.S. Patent No. 6,410,492. This agreement runs with any patent granted on the above identified application and is binding upon the

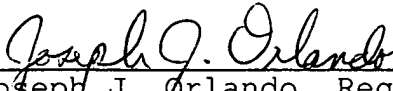

grantee, its successors or assigns. In making the above disclaimer, the assignee does not disclaim the terminal part of any patent granted on the above identified application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of U.S. Patent No. 6,410,492, as presently shortened by any terminal disclaimer if already filed in the event that such patent: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer if already filed.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon. The Terminal Disclaimer fee of \$110.00 under 37 CFR 1.20(d) is enclosed. The Patent Office is hereby authorized to charge our deposit account 03-2468 for any deficiency required by this paper.

The undersigned is an attorney or agent of record.

Respectfully submitted,
